Type	wall mounted designer luxor ZDC
------	---------------------------------

PRODUCT INFORMATION

The DE is a purpose-built down light that allows for up to 9 LEDs. Whether placed in a tight space or out in the open, the DE is a fine addition to any landscape as it can create both ambiance and function, and mimic the effects of natural moonlight. Die-cast aluminium, two-layer marine-grade anodisation, powder coat finish, colour temperature filters, and compatible with Luxor technology. Input voltage: 10-15V.
