PRODUCT INFORMATION

The Blue lagoon Tech UV-C 4ALL is a perfect solution for installations where space is limited. It is suitable for both salt-water (electrolysis) pools and chlorinated pools. Next to the highly corrosion resistant DUPLEX stainless steel housing, the Blue Lagoon Tech UV-C 4ALL is designed to provide an environmentally friendly solution for your swimming pool water disinfection needs.

Features:

- DUPLEX housing, suitable for both, salt-water (electrolysis) and chlorinated pools
- A built-in electronic ballast to ensure a smooth power supply
- Up to 35% more UV-C yield as a result of reflection by the DUPLEX interior
- Multiple installation options for easy installation
- Comes with Ø63mm to Ø50mm fittings, and 1½" female threaded inserts
