

# Bermad Pressure reducing valve fibreglass reinforced nylon 1 1/2" female thread 10bar black type 200 (7025094)

# TECHNICAL SPECIFICATIONS

|                        |                             |
|------------------------|-----------------------------|
| Colour                 | black                       |
| Type                   | 200                         |
| Material               | fibreglass reinforced nylon |
| Membrane material      | NBR                         |
| Material seal          | NBR                         |
| Connection             | female thread               |
| Adj. pressure          | 0.8 - 6.5 bar               |
| Minimum inlet pressure | 0.7 bar                     |
| Pressure               | 10 bar                      |
| Max. temp.             | 60 °C                       |
| Capacity               | 600 l/min                   |
| Size                   | 1 1/2"                      |
| Length                 | 160 mm                      |
| Width                  | 125 mm                      |
| Weight                 | 1 kg                        |
| Height                 | 180 mm                      |
