

A collection of various plumbing and heating components. The largest item is a red, cylindrical expansion tank with a horizontal band. Below it is a red manifold with a mounting bracket. To the right of the tank are several brass fittings, including a three-way valve with a yellow handle, a ball valve with a black handle, and a tee fitting. There are also two black plastic fittings, one with a ball valve and another with a handle. A blue cable with two terminals is coiled in the bottom left. A brass fitting with a red cap is in the bottom center.

The BOSTA logo features a stylized white flame icon on the left, composed of two curved shapes. To its right, the word "bosta" is written in a bold, lowercase, sans-serif font. Below "bosta", the tagline "bringing water to life" is written in a smaller, lowercase, sans-serif font. The entire logo is white and set against a solid orange background.

PRODUCT INFORMATION

Complete set with pressure tank, bracket set, inlet combination, safety valve, gas valve, fill and drain valve and filling hose to keep pressure on the heating installation.
