TECHNICAL SPECIFICATIONS

Type	Pro

PRODUCT INFORMATION

The Flotide technical pallet Type Pro is an all-in-one pallet which is designed to provide a hassle-free, plug-and-play solution for your swimming pool. The pallet includes all the necessary equipment for your pool system: sand filter, pool pump, salt chlorinator etc. Everything is pre-assembled which makes it possible to have the pool installation completed within a few hours. Its compact size makes it possible to fit in any plant room.

Features:

- Plug & Play
- Suitable for pools up to 50m3
- Includes 1x 1.5HP VSTD pump, 1x sand filter, 1x salt chlorinator, 1x UV-C disinfection system
