PRODUCT INFORMATION

The reinforced and phthalate-free elite® motion swimming pool membranes offer a unique visual, tactile, and functional experience. Impressive 3D textures give the proven elite® colours a pleasant, soft feel. Due to exceptional 3D relief and certified non-slip surface, elite® motion guarantees the greatest possible safety on steps, slopes and entrance areas in every pool. Thanks to the unique formula and excellent properties, elite® motion offers a complete protection against dirt along the waterline. The outstanding performance in stain and discoloration resistance remains unchanged.
