

# DAB Multi-stage centrifugal pump stainless steel 304 1" female thread x male thread 230VAC green self priming with press control type EUROINOX 30/30 Control D-CERT - 1.5 bar pressure

# TECHNICAL SPECIFICATIONS

|                     |                                                           |
|---------------------|-----------------------------------------------------------|
| Colour              | green                                                     |
| Material            | stainless steel 304                                       |
| Material impeller 1 | technopolymer                                             |
| Model               | self priming with press control                           |
| Connection          | female thread x male thread                               |
| Voltage             | 230VAC                                                    |
| Press               | 1 "                                                       |
| Suction             | 1 "                                                       |
| Type                | EUROINOX 30/30 Control D-GSET adjustable + pressure gauge |
| Output Power        | 1,36 HP                                                   |
| Size                | 1"                                                        |
| Power               | 1 kW                                                      |
| MWC                 | 59                                                        |
| Max flow rate       | 7.2 m <sup>3</sup> /h                                     |
| BEP Capacity        | 5.4                                                       |
| BEP Head            | 34.7                                                      |
