

**Rain Bird Union coupler PVC 1"  
male thread x female thread  
10bar grey type RB1234-010  
(7021710)**

**RAIN  BIRD**

# TECHNICAL SPECIFICATIONS

Colour	grey
Type	RB1234-010
Material	PVC
Connection	male thread x female thread
Pressure	10 bar
Size	1"

## PRODUCT INFORMATION

The Rain Bird RB1234-010 union coupler is used to make any system with manifolds in irrigation or other applications.

Connection is done easily by directly fitting the female version into the male version, nothing else is needed. Designed to minimize leakage.
