## PRODUCT INFORMATION

Norsup Supernova Timer is an upgrade of the Norsup Supernova. It has a LED display to indicate the status of the Amalgam lamp. With the timer function you will always know when it is the right time to replace the lamp.

Features:

- Provides fresh, clean and clear water
- Efficiently and safely disinfects water
- Amalgam lamp instead of traditional UV-C lamp
- Flow switch included for 130W model
- Duplex housing suitable for Chlor pool, salt water pool & Bio pools
- Protects your pool against pathogenic organisms
- Keeps the formation of mould, bacteria and algae under control
- Can reduce the use of chlorine and other chemicals by up to 80%
- Prevents chlorine smell and irritation of skin and eyes
- Better for the environment than traditional methods
- Has an electronic ballast for an even power supply
- Straightforward installation and maintenance
- Earthed
